Coordinated Campaign Info

Below is some information and links on how to get involved with the DFL this cycle! The coordinated campaign is operating a voter turnout mission with our current focus being contacting infrequent DFL voters to make sure they are voting DFL straight down the ticket and make sure they are informed and encouraged to vote by mail.

To access our peer to peer organizing app called Team, you can click here: go.jointeam.com/mncoordinated

We have created a short video with an overview on team that can be found here:

https://www.youtube.com/watch?v=9SEf-gC-Zh4&feature=emb_title

The video is a good overview but if you are really wanting to dig into the app, you should sign up to attend one of the DFL's involvement webinars. The webinars are about 45 minutes long and in them we discuss the different ways that you can get started with the DFL this 2020 season. The webinar will include a brief overview on phone banking as well as a tutorial on our Team app which allows users to directly contact folks in their network to discuss DFL candidates and vote by mail. To sign up, you can visit <https://www.mobilize.us/mncoordinatedcampaign/event/271311/>

The most vital piece of our operation will be calling folks in our district and throughout the state. This is by far the safest option to connect with those we need to turn out to vote! We are calling low turnout DFL voters to discuss the importance of voting DFL and making sure they are able to vote by mail if they choose to do so. Appendix A: Expectations for Speakers at SD66 DFL Meetings

During meetings, central committee members and public attendees may request to be recognized to speak by the chair. A good faith effort will be made to recognize speakers in the order requested, with priority being given to those who have not yet spoken before any speakers are permitted to speak twice.

During each meeting, elected DFL officials representing political units of Senate District 66 shall be permitted 10 minutes to report to the body and answer questions. If a particular topic is expected to require more time, it should be added as an agenda item for discussion.

At the end of each meeting, 20 minutes may be set aside for candidates seeking DFL-endorsement who wish to speak. For candidates that are running for an office eligible for endorsement by the Senate District 66 DFL, including elected DFL officials who have already given reports, each shall have the lesser of five minutes or the allotted time divided by the number wishing to speak. For candidates that are running for an office ineligible for endorsement by the Senate District 66 DFL, including elected DFL officials, each may have up to 2 minutes to speak and answer questions as time allows.

All candidates are encouraged to stay after adjournment to mingle with the meeting's attendees and answer additional questions.
