

2022 Delegates and Alternates

For Precincts Previously Located in SD66

Last Updated 2/13/22

To find out whether you were elected as a delegate or an alternate for the 2022 endorsing convention, scroll down to [your precinct](#), and then locate the row containing your first and last initials as well as house number, and then look in the last column to see whether you were elected as a delegate or alternate. (We have omitted street names, cities, and full names in order to reduce the amount of personal details visible to phishers/scammers.) A video from 2/10 documenting the process by which delegates were elected will be made available to the Credentials Committee.

If you believe that you indicated your interest in being a delegate, but you cannot find yourself on this list, please collect all supporting documentation (such as your non-attendee form PDF, your Google form confirmation email, etc.) and send an email with your details and concerns to sd66df@gmail.com. Please include "Credentials" in the subject of your email to more quickly connect you to the appropriate party.

Important: This list has not been credentialed and is subject to change. For example, some of the delegates may have listed the wrong precinct on their non-attendee form, and thus were elected to a precinct where they do not have residency. The Credentials Pre-Convention Committee will consider and resolve these issues.
